

*Be a Part of History as ChicaGourmets
Sails on the Greatest Ocean Liner of Our Time...
The New, Cunard Queen Mary 2
July 11-22, 2004 (depart USA July 10)*

You could be one of the first to experience an opulent new era in maritime travel aboard the largest, longest, tallest, widest and grandest ocean liner ever built! So grand, she will be christened by the Queen herself!

The maiden voyages of the QM2 will be the most sought after passages in the history of cruising. For her debut, Cunard has rolled out the red carpet and ChicaGourmets invites you to join us in the festivities. On our way to the fjords, we visit Edinburgh. Walk along the Royal Mile to the fairy tale castle overlooking the Firth of Fourth. In Bergen, recall Norway's Musical heritage with a visit to composer Edvard Grieg's birthplace. From Alesund, QM2 enters the spectacular Geiranger Fjord, gliding through a spectacular scene of soaring cliffs and cascading waterfalls to the postcard-pretty village of Hellesylt. From Hamburg, travel to Berlin and walk through the Brandenburg Gate. Rotterdam is our window to Rembrandt's cherished Dutch landscapes.

Can you wait?
